Wild Apricot App Instructions

- 2019 -

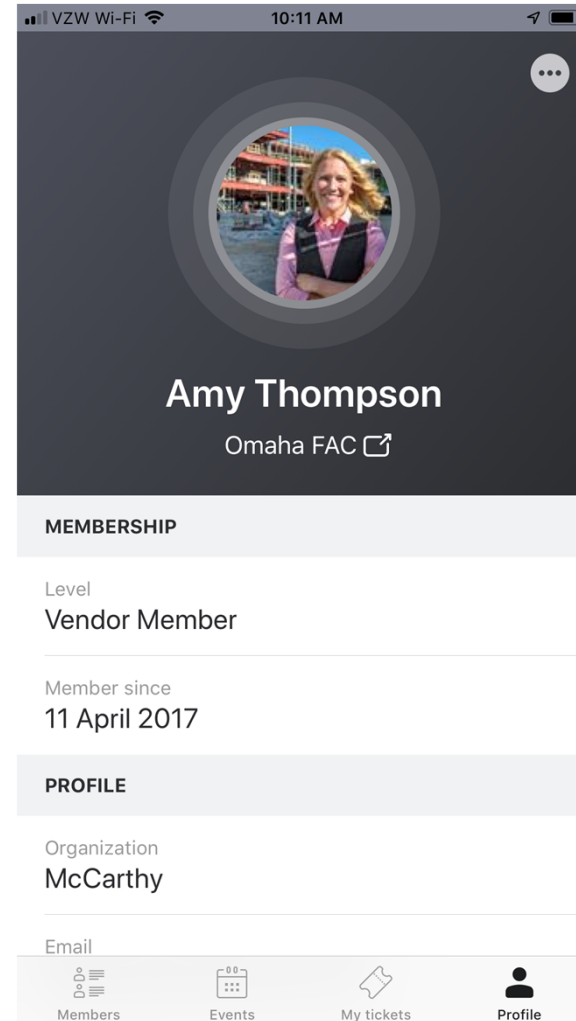

#1

Download the Wild
Apricot App from the App
Store.

#2

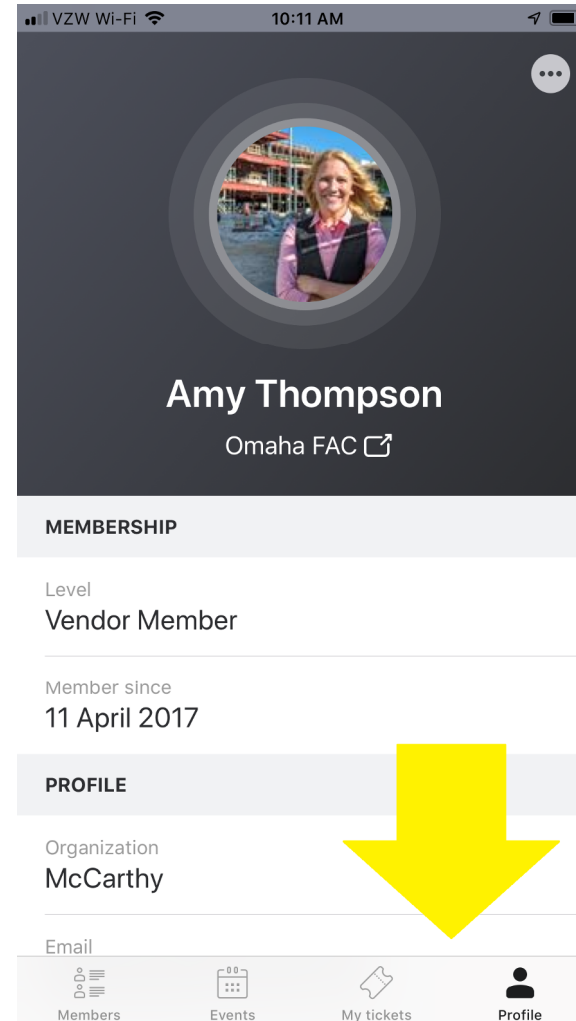

After login (using your login info from the website), you'll see the app homepage.

#3

At the bottom of the home page, you can access:

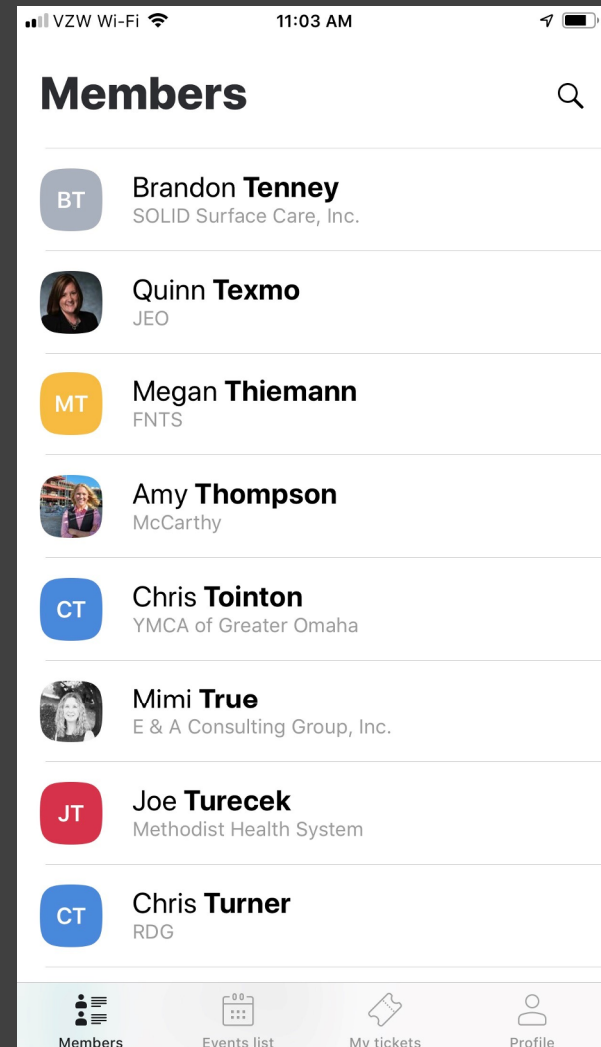

- Member Info
 - Event Info
 - Ignore the Tickets part
 - Your profile
-

#4

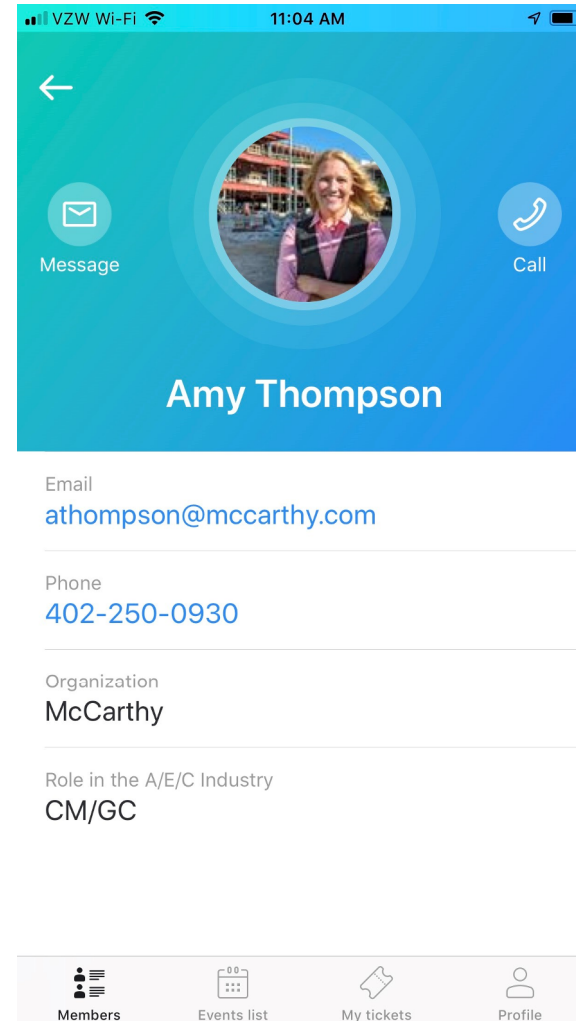

The Member Directory lists every one of our owner and vendor members, in alpha order by last name.

You can search too!

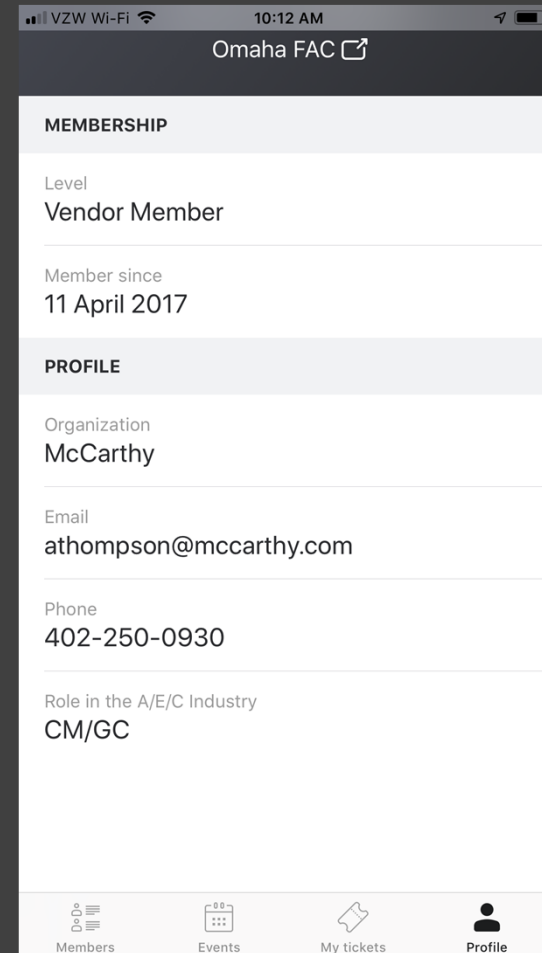

#5

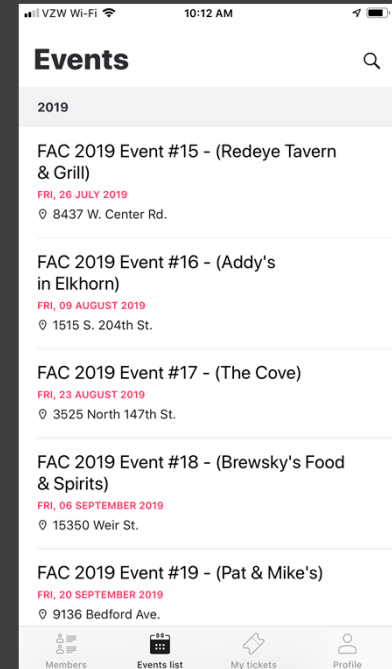

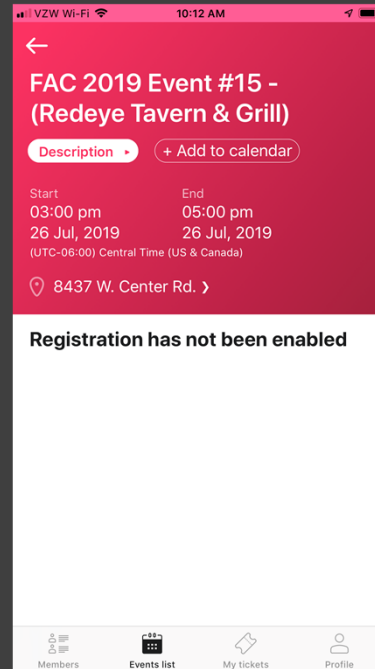

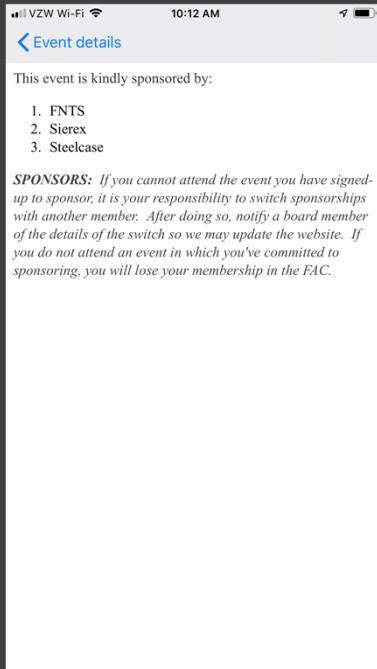

By clicking through on a member, you can then access their contact information.

#6

From the homepage, you can access your profile. Here you can update your company name, contact information, upload a new picture, etc.

#7

- From the events section, you can:
- See the remaining events this year
 - Click through each to add to your calendar
 - See who's sponsoring
